YOUR CONCERN / QUESTION

I have been facing problems in my marriage for the past 2 years. There are constant misunderstandings and lack of harmony between me and my spouse.

THE ISSUE YOU'RE FACING

The placement of Mars in your 7th house (house of marriage and partnerships) creates a Mangal Dosha, which is one of the primary causes of friction and misunderstanding between spouses. Additionally, Saturn's aspect on Venus has been creating delays and obstacles in marital harmony since 2023. The 2nd house lord (family and communication) being afflicted by Rahu adds to the miscommunication and lack of peace at home.

WHY THIS IS HAPPENING

According to Brihat Parasara Hora Shastra, when the 7th lord (Venus) is conjoined with a malefic or receives the aspect of Saturn, the native experiences distress in marriage. In your chart, the Navamsa (D-9) chart shows Venus in a debilitated state, indicating that karmic lessons related to partnerships are due in this lifetime. The current Venus-Saturn transit is further activating these placements until mid-2026.

YOUR PLANETARY POSITIONS

Sun: Mesha (exalted) in 1st house — strong personality and leadership. Moon: Vrishabha in 2nd house — emotional and family-oriented. Mars: Tula in 7th house — creates relationship tensions (Mangal Dosha). Mercury: Mithuna in 3rd house — good communication potential. Jupiter: Dhanu in 9th house — blessings from elders and spiritual grace. Venus: Vrishabha in 2nd house — love for family but aspected by Saturn. Saturn: Makara in 10th house — aspect on 7th house affecting marriage. Rahu: Mithuna in 3rd house. Ketu: Dhanu in 9th house.
